WINDOOREX + Glass & Aluminum

Middle East

The Biggest
International Exhibition for
**Windows, Doors
& Facades**

15-17 MAY 2025

Egypt International Exhibition Center, **Cairo – Egypt**

Added Value Storage

Broad Product Range Customer-Specific

Greater Flexibility and Extended Product Range

Increase your flexibility and extend the product range in your glass storage with Rapidstore. Glass and packages find their optimal place in the movable rack frames. Benefit from direct access to additional types of products in your gantry or floor loading system for customer-specific products with faster availability.

- Optimal for custom-tailored extension of your glass storage
- One or more cutting lines have direct access to more types of products
- Ideal for flat halls without craneways

Saudi Industrial Machinery CO.

Established in 2003, Saudi Industrial Machinery Co. is a leading industrial machinery trading company in Saudi Arabia. We offer efficient solutions for steel, aluminum, wood, glass, and stone processing for different industrial segments. ALFOZAN GROUP acquired SIMCO in 2014, helping it to expand its reach widely. SIMCO has three branches in Jeddah, Riyadh, and Dammam and is a leader in the market due to their quality products, after-sales services, and highly-qualified staff.

الشركة السعودية للألات الصناعية المحدودة

تأسست الشركة السعودية للألات الصناعية في عام 2003 ، وتعتبر من الشركات الرائدة في مجال تجارة الماكينات الصناعية بالمملكة العربية السعودية. نحن نوفر حلولاً فاعلة لمعالجة مواد مختلفة مثل الخشب والحديد والألومنيوم والزجاج والحجر لقطاعات صناعية متنوعة. انضمت الشركة في عام 2014 إلى مجموعة الفوزان مما زاد من قدراتنا وتنوعنا. لدينا ثلاثة فروع موزعة في جدة والرياض والدمام ، ونتميز بتقديم منتجات عالية الجودة وخدمات ما بعد البيع المتميزة وفريق عمل مؤهل.

Alluco is a leading Aluminum system provider. We have full range of systems with highest performance parameters which has been tested from an accredited international labs.

We are not only focusing on providing materials. We start from scratch at Alluco Academy passing by our innovative design team and ends with our approved Fabricator and Installer.

Caring of our clients is guaranteed as an inevitable result of our systems care's, therefore we scrutinize & supervise every step starting design stage through the fabrication, installation stages and even after sales by keeping direct open communication channel with the end user.

Our products are crafted with precision and attention to detail.

With Alluco you can expect high quality products that are both durable and aesthetically pleasing, enhancing the overall look of your interior.

THE BEST FOR YOUR CONSTRUCTION PROJECT

WINDOWS, DOORS, AND FACADES BY ALLUCO

WE EVOLVE FOR YOUR WELL-BEING!

Alluco is positioned in the national and international markets with innovative concepts that perfectly adapt to the requirements of contemporary architecture. Inspired by your comfort and safety.
